

Junior Painter of the Year 2026

Sightsavers Ireland wants to see your artwork! Draw, colour or paint a picture that shows your understanding of the Sustainable Development Goals and how they can help create a fairer world for everyone.

1. Learn more about the Sustainable Development Goals before starting your artwork by completing all the badges and getting your Disability Inclusion Champion Certificate from www.putusinthepicture.ie.
2. Complete our form and post it along with your entry to: **Róisín McAtamney, global citizenship manager, Sightsavers Ireland, 305 The Capel Building, Mary's Abbey, Dublin 7, D07 RD25.**

We have exciting prizes for our winners and certificates for every entry. Please note that due to the large number of entries we receive each year, we're not able to return original artwork. Entries are open until **28 February 2026**, and the prizegiving ceremony will take place in May 2026 – with more information to follow!

Competition theme for 2026: 'Our vision for the future'

Name of your artwork	
Student's name	
Age	
School's name and address	
Teacher's/school's email	
Teacher's name	
Class	
Tell us a little bit about yourself	
Why did you choose to enter Sightsavers Ireland's Junior Painter of the Year competition?
